BXMLR80PO.2

BOXMORE

Manual for rear speaker installation in PORSCHE Boxster 981 and similar

Functionality:
Speaker rings to install following speakers:
Tweeter: BOXMORE 20mm tweeters
Midrange: GLADEN ZERO 80, ZEROPRO 80, PRO 80, Aerospace 80 and similar

Installation Tweeter:
Depending on the tweeter used, a small modification can be necassary to create enough space for the tweeter magnet.
In this case please cut the green marked area from the OEM bracket.

Installation Midrange:
Please cut the OEM bracket as shown in picture 1.
Different screw holes must be used at left or right side bracket as shown in pictures 2+3.
Please use only the included screws to mount the speakers.
(3pcs. on right side, 4pcs. on left side)
